\$5.00 IN GOLD

To advertise our bread, which we know to be the best—in Canada, we are going to put a Canadian \$5.00 gold piece in one loaf of bread on Saturday, September 10th. It is requested that the lucky purchaser will furnish us with his or her name and address, which will be placed on view in our window.

Once a week one loaf will contain \$5.00, though after this week we do not specify the day.

Other lines we carry are the best obtainable.

We make only the best. Allow us to prove it.

Come in Saturday and have a try at that Five Dollars.

Football Competition

The undernoted copy letter from the Deputy Attorney Gen

Department of Attorney General.

Re PROPOSED FOOTBALL COMPETITION

With reference to letter to you of the 16th ult., the Calgary Albertan has been today written to and urged to discontinue the Football competition.

Whether or not such competition is in violation of the law respecting Lotteries, there is very little differ-ence in actual fact between such contest and any Lottery; and the actual skill displayed by most of the concisiants will be negligible—their desire, for the most part, being to get something for nothing.

I am not in a position to assure you that in case you carry on the contest prosecution will not follow

Yours truly. A. G. BROWNING.

Deputy Attorney General

Offering you a complete and continuous private wire service in Alberta, not a half-hour or partial service; therefore we pay you

Most Money For Your Grain

We hedge grain — All farmers should undertasnd this very important subject. WIRE-WRITE-PHONE US AT OUR EXPENSE

W. Ross Alger & Co. Ltd.

FEED YOUR STEERS

The cattle industry today is in a serious situation, with unfinished cattle being dumed on the market. Prices are decaration as a result, and the loss will be tremendous unless the advice of H. P. Kennedy and others is taken and this same unfinished votes is kept and "finished" before being marketed.

We know a basin industry was being eafabilished when we savered manufacturing hallows being eafabilished when we savered manufacturing hallows being eafabilished when we savered manufacturing hallows by faceding out attle. Figure it for yourself: Big Chief Cattle Fattener, a scientific balanced ration, costs today F.O.B. mill, car loss, 89,000 per ton, or about 26 per pound. Ten pounds Big Chief Cattle Fattener, per day will feed one annual. Higher being the per per day will feed one annual. Higher being the per day will feed one annual. Higher being the per day will feed one annual. Higher being the same per day will feed one annual. Higher being the same per day will feed one annual. Higher being the per day will red one annual. Higher being the same per day will feed one annual. Higher being the per day will red one annual. Higher being the per day will red one annual. Higher being the per day will red one annual. Higher being the per day will red one annual to the per day will red one annual to the per day will be and proper care. 100 pounds of weight and raise this grade to the finished class, the price of which, in At these figures your net profit above feeding cost is about \$25.00 per head.

If you have stock and a fair quality of roughage, why not market good roughage through your live stock and take this actus industry in Causala.

De not delay getting in shape so that the minute grass is goon your stock and go on four fill feed, and work is reduced contains all the elements of a full feed, and work is reduced to a minimum.

De not delay getting in shape so that the minute grass is goon your stock and go on four fill feed, and work is reduced to a minimum.

The production capacity is 125 tons seety 24 hou
